PROTECTING THE RIGHT TO PRACTICE AS NATURAL HEALTH CARE PROVIDERS

Dear Natural Health Care Provider,

Welcome to the American Naturopathic Medical Certification Board, ANMCB, the premier national Board Certification organization in the field of natural health. With 45 years of experience and registered with the Department of Consumer and Regulatory Affairs in Washington, D.C., ANMCB offers unbiased Board Certification based on education and experience. Our mission is to uphold standards and ethics, ensuring credibility and integrity in the natural health professions.

ANMCB Board Certification brings benefits to individuals by instilling consumer confidence and enhancing professional recognition. Upon approval, you'll receive a certificate bearing the ANMCB seal, allowing you to proudly distinguish yourself. Continuing education is essential for maintaining certification, with 20 Continuing Education Units required annually to stay current in natural health care.

Additionally, we encourage all natural health professionals and students to consider the significance of joining the American Naturopathic Medical Association, ANMA. With over 5000 members, ANMA is the largest association of Naturopaths, advocating for policies that protect the right to choose natural health and naturopathy by promoting natural health education. Membership is open to individuals with natural health fields, including members that hold other medical degrees: MD, DO, DDS, OMD, HMD, ND, and DC. All our members have a strong commitment to the philosophy, art, and science of natural therapeutics. By becoming an active member, you contribute to meaningful action on important issues in natural health and naturopathy. Begin your lifelong professional relationship with ANMA, supporting natural health and naturopathy for over 45 years.

To begin your certification journey, complete the enclosed application and submit the necessary documents. Candidates must pass the ANMCB Exam, designed to assess competence in natural health services.

Join us in promoting excellence and professionalism in natural health care with ANMCB certification.
